Stallions 2024

The Source of Speed

Bearstone Stud has enjoyed considerable success. Since 1994 we have bred, born and raised the winners of over 1,300 races including Gr.1, Gr.2 and Gr.3 winners.

The highlight being our home-bred triple Gr.1 winning sprinter Glass Slippers, as well as Gr.1 winners Kornado and Svelt. In addition, the 2023 Gr.1 King's Stand Stakes winner at Royal Ascot, Bradsell, was born and raised at Bearstone Stud, as was Mattmu, a Gr.2 two-year-old and joint Champion three-year-old sprinter.

Other Group winners bred, born or raised by the stud include Queen Jo Jo, Lullaby Moon, etc, and recent two-year-old Gr.2 performers Malc and Eddie's Boy.

Stallions standing at the stud have also sired early-maturing, fast horses which train on and love to race.

Bradsell

Welcome

Dear Breeder

2023 got off to a great start for BELARDO, our new stallion to Bearstone Stud and indeed Great Britain, with Gold Phoenix landing the Gr.1 Frank E Kilroe Mile Stakes at Santa Anita in March. He went on to add victory in two Gr.2 races, and was one of 11 Stakes winners or performers for his sire this year.

In addition, Belardo had a remarkable strike rate of 58% winners to runners for three-year-olds in Europe in 2023, with only Frankel and Siyouni ranked higher. His yearlings also continued to appeal to trainers, agents and owners realising up to €100,000.

As a European Champion two-year-old and with over 100 two-year-olds to run next year, Belardo will have plenty of chances to improve his record of success.

He will again stand alongside DREAM AHEAD, a proven Gr.1 sire of speed and important outcross being the only sire in Britain from the Godolphin Arabian line.

The sire of 64 Stakes winners or performers worldwide including four Gr.1 winners led by our own champion Glass Slippers, he is one of the best sources of top-class speed available to British breeders today. Indeed, only No Nay Never has sired more three-year-old or older Gr.1 winning sprinters since 2019.

From just eight crops Dream Ahead is also proving to be an exciting broodmare sire. Progeny includes the 2023 Gr.1 winner Poptronic and Stakes winning or performing two-year-olds Cold Case, Army Ethos, Zoology, Fairy Dust, etc.

Bearstone Stud continues to be a rich source of winners and this year we particularly enjoyed a memorable Royal Ascot. Bradsell, born and raised here on behalf of Mrs O'Brien, won the Gr.1 King's Stand Stakes, and the two-year-old Malc finished second in the Gr.2 Norfolk Stakes.

We pride ourselves on offering breeders a friendly, first-class service and we welcome visitors to the stud by appointment where you can view our stallions and discuss your breeding requirements for 2024.

Kind regards,
Terry Holdcroft
